PRESENT	Councillors Jonathan Brook (Chair), Guy Tirvengadam (Deputy Mayor), Graham Vincent, Clare Feeney-Johnson, Jon Robinson, John Veevers and Geoff Cook
APOLOGIES	Councillors Clare, Blackman and A Robinson
OFFICERS	Liz Richardson (Town Clerk), Hazel Belshaw (Temporary Council Secretary)
765/17/18	PUBLIC PARTICIPATION None
766/17/18	DECLARATIONS OF INTEREST None
767/17/18	PROPOSALS FOR INTERIM ARRANGEMENTS FOR NEW ROAD, PRESENTATION BY SION THOMAS, PROPERTY SERVICES CONTRACT MANAGER, SLDC Mr Sion Thomas, Property Services Contract Manager at SLDC presented the interim arrangements for New Road, Kendal that have been passed by SLDC full Council.

He explained that following safety advice New Road was closed to parking and as the land is registered as common land their insurance company had advised them that they would not be covered if there was an accident.

The interim arrangements have been discussed with both the Environment Agency and Cumbria County Council. The design has been produced by IBI, who were the consultants for the Kendal Design Framework.

He then showed Members a 3D image of the site which included grassed areas and footpaths. He advised that the stone wall around the site will be repointed and a small railing fixed to the top on the part of the wall lower than 1.1m. The lighting of the area will be with lamp posts similar to the ones fitted on Finkle Street and there will be a drop kerb for access onto the slip way.

He further advised that Gooseholme footbridge was due to be replaced within this financial year but the Environment Agency have now asked for a single span footbridge and so this may now be delayed. SLDC's legal team are looking at a small area of land near the footbridge that has existing permission to park.

Councillor Feeney-Johnson asked if the lamp posts installed could be of a design capable of having Kendal banners hung on them. Mr Thomas agreed to look into this request.

Councillor Veevers advised that tarmac had been laid on the area and was this not a waste of money since it was all to be dug up. Mr Thomas confirmed they are filling in the pot holes as this could be a safety hazard to pedestrians and is required by the insurance company.

Councillor Tirvengadam asked about the arrangements with the fair. Mr Thomas confirmed that discussions will be had with Taylor's and the next fair is at the end of May. Discussions will need to include the siting of the rides, trucks and caravans. Following their departure checks will be made for any damage.

Members then went on to discuss the use of permeable surfaces to ensure that there is no additional flooding risk. The new design should be more permeable than the current tarmac. Councillor J Robinson wanted to see permeable tarmac used on paths due to be tarmacked.

Mr Thomas then confirmed that the tender is to be issued on 22.12.17, with a return date of 26.01.18. Work will then start on 19.02.18 with completion by 04.0.18.

768/17/18

Kendal War Memorial (ref minute 685/17/18)

Councillor J Robinson asked for an update. The Town Clerk advised that she had written to the Kendal Civic Society and was awaiting a response which she will then take to the Mayoralty and Arts Committee.

772/17/18

URGENT ITEMS OF BUSINESS

None

773/17/18**REPORT ON WORK PROGRAMME**

The Town Clerk presented her report on project progress for December 2017 and highlighted the following points:

- Staffing issues – work had started on the annual report and she reminded Cmttee Chairs about their contributions.
- Infrastructure projects – discussion around the Blackhall Road bus shelters following the KADBUS group looking to improve them. Councillor Cook advised that the plan is to relocate the 3 current shelters together to make a larger shelter and an extra one being erected.
- Town Centre benches – Councillor Vincent and the Town Clerk met with Karen Johnson of CCC last week to finalise arrangements for the transfer of the Stricklandgate/Highgate benches. There is some re-wording required of the legal document which will come to Council for approval.
- A meeting has taken place to discuss the lease for the Council offices and SLDC Chamber with the Treasurer, KTC solicitor and SLDC solicitor. We are now awaiting the final lease document from SLDC. Councillor Veevers suggested a discussion for the future was around alternative accommodation regarding future needs and costs.
- A meeting on arrangements for Remembrance Day 2018 has taken place and will be discussed at the next Mayoralty and Arts Committee meeting.
- Councillor Cook confirmed that CCC have approved a trial to transfer the disabled parking places from the Market Place to Stricklandgate.
- The Regimental Freedom Parade will take place on 29th September 2018 and a start-up meeting has been arranged for January.
- Dressing the Town – the new banners are now in place on Highgate.
- Councillor Feeney-Johnson raised the issue that the Christmas Lights and Festivals Committee have had resistance in the past to Christmas lights on Wildman Street, even though there is no cost to the businesses. She thought BID had tried to speak and involve the businesses but within days of installing the strings we had to remove one after a complaint. There are currently only 2 strings and this looks poor and reflects badly on us. The Committee feel that this needs to be addressed as there are concerns that residents of the town may feel that KTC do not look upon that area as being important. She also feels that we need

to support Officers who have to deal with the complaints. It was suggested that Christmas Lights and Festivals Committee review this at their next meeting with a view to reporting their outcomes to the Management Committee Agenda for further discussion. Members also agreed to support Officers who deal with the complaints.

- Kendal in Bloom – termination notice has been given to the current contractor and discussions are being had with an alternative supplier for summer 2018 planting.
- Street name signs – the old blue signs have now been painted and should be back up by the end of the year.
- Kendal Castle Project – the Town Clerk showed Members a new draft design for the panorama sign.
- Green Wall – a letter has gone to Network Rail and copied to Northern Rail to request a site visit.

774/17/18

FLOODING DECEMBER 2015 – ISSUES RELATING TO RESPONSE TO THE FLOODING

The Town Clerk presented a note from Councillor A Robinson that had been previously circulated.

The note advises that a public consultation for a proposed development at land to the north of Laurel Gardens has taken place. Previously the Town Council has suggested that no further developments should take place until the Environment Agency has followed up the Section 19 Report and any relevant recommendations have been implemented. There are serious concerns about this particular tract of land as it goes down towards Burneside Road it is known to flood and is basically on the flood plain.

Also mentioned in the note is the issue of recent flooding in Burneside and at Strawberry Fields in Kendal, a site that KTC had indicated no development should take place.

The note suggests asking SLDC along with the Environment Agency and/or Cumbria County Council (as the Leading Flood Authority) to come to a Council meeting at the earliest possible opportunity to explain the situations and attempt to allay any fears we may have for the residents of Kendal over this and all other Local Plan sites.

Councillors J Robinson added that he had attended the consultation along with Councillors Owen and Coleman and concerns were raised for that site with regards to flooding and that developers should ensure that the issues are addressed before work starts.

Members discussed if it was appropriate to bring this issue to full Council. Councillor Brook suggested that interested parties be

invited to a round table discussion. Councillor Feeney-Johnson suggested a focussed meeting is arranged that is headed up by the Chair of Planning and the Mayor and to invite all Councillors. It was agreed that Councillors A Robinson, J Robinson and Blackman should discuss and decide on the way forward.

RESOLVED

That Councillors A Robinson, J Robinson and Blackman discuss and decide on the way forward for a meeting with SLDC along with the Environment Agency and/or Cumbria County Council (as the Leading Flood Authority).

775/17/18

At this stage Councillor Feeney-Johnson asked if Agenda item 11, funding request for the Brewery Comedy Festival could be brought forward. This was agreed by Members.

776/17/18

FUNDING REQUEST FOR THE BREWERY COMEDY FESTIVAL FROM THE FESTIVALS GRANT BUDGET – COUNCILLOR FEENEY-JOHNSON

There are funds in the budget this Financial Year. The event is in May 2018 and any grant would need to be paid by end March. She is proposing approval of the grant to be recommended to Council in January due to timescales.

This was seconded by Councillor J Robinson and carried unanimously. Cllr Veevers asked that we are assured that the event is going ahead before any monies are paid.

KENDAL TOWN COUNCIL REPORT

To: Management Committee	22 nd January 2018
From: The Town Clerk	Agenda Item No. 9

UPDATE ON THE MARKET PLACE 2018

The following update has been received from Cllr Sylvia Emmott:

The Vision

A 21st century market place within a historic setting offering a dynamic, versatile space suitable space for hosting a wide range of community focused events, lively festivals and inspiring markets. Safe, welcoming and atmospheric, encouraging a vibrant café culture, evening economy and a quality retail environment attractive to businesses, residents and visitors.

The Market Place Board is co-ordinated by Paula Scott from Kendal Futures and Joanne Golton from S.L.D.C. and includes representatives from the Civic Society, C.C.C., S.L.D.C. and K.T.C., the BID and the Chamber of Commerce. Officers from the Economic Development group also attend the meetings. There are several strands to the proposed plans, however some of which may take longer than others. They are:

- New lighting
- Decluttering / public realm improvements
- New electricity Units
- Public Consultation
- Parking

New Lighting

The original idea was to attach the new lighting to buildings in the Market Place. This proved extremely difficult and costly due to legal agreements, so eventually it was agreed to look at installing two lighting columns centrally. These have 4 heritage lanterns on each column and are very similar to the lights on Highgate. The old columns around the perimeter of the Market Place and the five on Branthwaite Brow have been removed and replaced by three heritage style lanterns all of which are LED.

De-cluttering/ public Realm Improvements

The vision for the Market Place came from comments from the survey carried out in 2014.

New seating has been installed around the two central lamp posts and an order has been placed with a local sculptor Chris Brammall to create a bespoke circular metal bench which will be wide enough to access the centre with prams etc. This is likely to

be installed in late February or early March 2018 at the head of the Market Place. The old seating will be re-used by S.L.D.C. in one of their parks.

A new tree planter similar to those on Stricklandgate will be placed at the corner of the Market Place by Pandora shortly. This has been funded by the Project Board but will be maintained by KTC.

The drainage channels have all been replaced, as have the unsightly pavers installed when the telephone kiosks and trees were removed. When all the ground works are completed the stone setts will be tidied and cleaned. The project Board will then assess what further additions need to be made.

New Electricity Units

Three new power bollards have been replaced which now have a provision to connect to a water supply. In addition a new connection for the town's Christmas tree has been installed.

Parking

There is currently a taxi and disabled parking in the Market Place. Access to the Market Place will be restricted during an experimental Traffic order agreed by C.C.C. in November. This includes restricting parking in the Market Place, however making the loading bays on Stricklandgate multi use i.e. Loading up to 11.a.m. and spaces for taxis and disabled drivers after 11.a.m.

KENDAL TOWN COUNCIL REPORT

To: Management Committee	22 nd January 2018
From: The Town Clerk	Agenda Item No. 10

CITY OF SANCTUARY UK

Councillor Tirvengadam would like to discuss the possibility of proposing that Kendal joins the network as a Town of Sanctuary UK. Kendal is expecting some refugee families to settle in the town in the near future.

City of Sanctuary holds the vision that the UK will be a welcoming place of safety for all and proud to offer sanctuary to people fleeing violence and persecution.

City of Sanctuary began in October 2005 in Sheffield. In September 2007, with the support of the City Council and over 70 local community organisations, Sheffield became the UK's first 'City of Sanctuary' – a city that takes pride in the welcome it offers to people in need of safety.

Since then, City of Sanctuary UK, the umbrella organisation, has supported the development of a [network of groups](#), which includes villages, towns, cities and regions across the UK, and others engaged in [Streams of Sanctuary](#), [Sanctuary Awards](#) and [activities](#) intended to welcome people seeking sanctuary.

The City of Sanctuary network is part of a mainstream, grassroots movement working towards achieving the overall vision. Whilst there is flexibility in determining how best to work towards the vision, the following principles apply to all groups, networks and streams operating under the name of City of Sanctuary:-

- Offer a positive vision of a culture of welcome and hospitality to all;
- Create opportunities for relationships of friendship and solidarity between local people and those seeking sanctuary;
- Recognise and encourage partnership working and network development across localities;
- Identify opportunities for working on common cause issues within and across communities;
- Celebrate and promote the welcome and contribution of people seeking sanctuary;
- Engage people seeking sanctuary in decision making processes at all levels and in all activities;
- Promote understanding of asylum and refugee issues, especially by enabling refugee voices to be heard directly.
