Notes on the Annual Return and AGAR 2020-2021

The Council's Management Committee resolved to allow for a late submission of the Council's AGAR for the year ending 31 March 2021.

This was in response to the ongoing prevalence of Covid 19, leading to an absence of a face-to-face council meeting in June, when the AGAR would otherwise be approved.

Noting that the Council is unable to delegate the authority to approve the AGAR, and that the Council would not schedule a meeting in June, because of the Covid situation, the Committee felt that the lesser evil was to submit a late return, approving the necessary statements at its scheduled meeting on Monday 5 July, and submitting the AGAR itself on 6 July, five days after the statutory deadline.

From 25 June to 5 July the AGAR is published on the council's website in an unapproved form alongside the Notice of Confirmation of the Dates for the Exercise of Public Rights, which has been adjusted to allow for the 30 day period required by statute for the approved AGAR.

Any queries about this or the council's ongoing management of the risk associated with Covid 19, should be addressed to the Town Clerk.

A handwritten signature in black ink, appearing to be 'C. Bagshaw'.
